Our products are designed and intended for use in standard applications, so called commercial/industrial grade, requiring an ordinary level of reliability. Customers using these parts in applications requiring a special or specific grade of quality or reliability are obliged to validate whether the use in such cases is appropriate. Usage in such cases is on the own and sole risk of the customer.

Our general terms and conditions apply exclusively and can be found in our databook. Goods delivered shall remain our property until complete payment. Place of jurisdiction is Freiburg im Breisgau, Germany.
Place of performance is Hong Kong. All bank charges shall be born by remitter.
